OUR STORY

PT. Ladang Sehat Indonesia

is pioneer of gluten free food in Indonesia through cassava. Our company produce cassava flour through bio-technology process which have similarities to wheat flour and could be alternative to substitute wheat flour. Besides cassava flour, our company produce derivative products such as veggie noodle, premix flour, coating mix, and cookies.

OUR STORY

*Ladang
Lima*

LADANG LIMA means fields (Ladang) and Five (Lima). Nutritious cassava naturally cultivated on fields and has five benefits. Our vision is providing the best healthy and gluten free food for better life.
